RE: Ordinance No. 663

On June 17, 2015, the Colonial Beach Town Council passed Ordinance No. 663. Concerning the Planning and Community Development Office, this ordinance amends:

- Chapter 7, Article 1, Section 7-27, “permit fees” which adds a \$200.00 Woodlot Management violation penalty. This penalty will apply when a person cuts down a tree in town without the proper Woodlot Management Permit from the Department of Planning and Community Development.
